

## COOLING SUMMER DRINKS SELECTION

Always offer a wide range of drinks for summer days, with plenty of choice for both drinkers and drivers.

### Non-alcoholic

- We love Great Uncle Cornelius' Lemon Refresher from James White Drinks, £2.05 for 75cl.
- Appletiser is a real thirst-quencher – made using nothing but fresh apples. It costs £2.15 for a litre.

- For something sophisticated, try Schloer's White Grape, Strawberry and Black Pepper squash.
- Or try Sorelle, a sparkling blend of apple and cranberry infused with herbs, available at Sainsbury's.

### Alcoholic

- Anything fizzy goes down well at an alfresco celebration – Morrison's

Pink Pink Fizz is great value at £4.99.

- Rosés add an elegant touch to a summer get-together. Try Andrew Peace Mighty Murray Rose 2003, available from Asda for just £3.77.
- Or go for Louis Latour Pouilly-Vinzelles – a medium-bodied Chardonnay. Until 31 August, it's on offer at Majestic for £6.99 (usual price £8.49) if you buy two bottles.
