THORNCROFT

Thorncroft cordials are a new addition. They're plant based drinks, not fruit cordials, with a hedgerow theme and an emphasis on fine natural flavours. They're traditional in provenance and quality and above all have a homemade feel. Unlike an everyday cordial, our dilution ratios are between 10 and 12 times with each bottle, easily making four litres of delicious drink – great value from a single bottle.

Wild Elderflower	The very original elderflower cordial – one of the most refreshing summer drinks ever	6 x 37.5cl	£12.00	£3.25
